## SIXTEEN BASKETBALL TEAMS IN ACTION IN TWO TOURNIES TODAY

High School Athletes, Most of Them From Rush County, Battle at Rushville and Milroy.

LARGE CROWDS BOTH PLACES

Local Team Expected to Win Over Moscow or Manilla in Final Contest Tonight.

DOPE ON MILROY TOURNAMENT

Host Five Likely to Fight it Out This Evening With Edinburg or Carthage.

### RUSHVILLE SCORES

Manilla 19; Webb 15.  
Moscow 34; New Salem 7.  
Arlington 24; Raleigh 17.  
Rushville 39; Glenwood 14.

### Afternoon Games

Manilla 22; Moscow 15.  
Rushville vs. Arlington.

### Night Game at 8 O'clock

Manilla vs. Rushville or Arlington.

Sixteen high school basketball teams, most of them from Rush county, battled for honors at two invitational tournaments at Rushville and Milroy today.

Rushville is regarded as the winner at Rushville in the final tonight and the host team is also expected to emerge victorious over Carthage or Edinburg.

The Rushville tourney attracted a good crowd throughout the day, and all of the games were interesting, and friendly rivalry existed at each contest. At noon four teams were left in the race, which were Manilla, Moscow, Arlington and Rushville, and this afternoon two more were to be eliminated, leaving the race for the deciding game between two teams tonight.

Moscow and Manilla took the mat at 2:30 this afternoon and each team was keyed up to a high pitch. Each team previously had won a game from each other by close counts and the fans thoroughly expected to see a thriller.

Moscow has a team that bids fair to give anyone a good race, and Manilla in their game this morning were slow in getting started on hitting the basket, missing many shots.

The preliminary tonight will be of a novel variety when A. P. Cotton, physical director in the schools, will give a demonstration of what his classes can do, and this exhibition will begin at 7:15, followed by the final game at 8 o'clock.

In the opening game Manilla took a hard fought game from Webb 19 to 15. The first half ended 5 to 4, and both teams were slow in getting started.

In the second half the two teams tied at nine points but Manilla gradually pulled away and won out.

The line up and summary:  
Manilla (19) Webb (15)  
Myers F. Hurst  
Baker F. Talbert  
J. Brown C. Hill  
M. Abel G. Hillgoss  
Hutchens G. Myers  
Substitutions, Fair for Myers.  
Field goals, Manilla, Myers 3, Baker 3, J. Brown 2, Hurst, Talbert 2, Hillgoss 4. Foul goals, Hillgoss, Myers (Manilla) 2, J. Brown, Hillgoss.  
Referee Evans.

### Moscow 34; New Salem 7.

The second game proved to be easy for the Moscow team which were too much for New Salem, the final count being 34 to 7.

The first half ended 18 to 3. New Salem were much smaller and the tall Moscow players scored at ease. By winning this game, it places Moscow and Manilla for the first game in the semi finals at 2:30 and one of these teams will probably play Rushville tonight.

The line up and summary:  
Moscow (33) New Salem (8)

### MILROY SCORES

Carthage, 28; Morristown, 12.  
Edinburg, 22; Letts, 20.  
Milroy, 32; Fairview, 18.  
Waldron, 35; St. Paul, 19.

### Afternoon Games

Carthage vs. Edinburg.  
Waldron vs. Milroy.

A large crowd of basketball fans gathered at Milroy today to witness the invitational tourney held there, when eight teams from this vicinity were after the honors, and at noon only four of the teams were still in the race, leaving the semi finals between Carthage, Edinburg, Milroy and Waldron.

The "dope" around the gymnasium was that Edinburg and Milroy would clash in the final game tonight although Carthage might spring a surprise on Edinburg, and in that case it would mean Carthage and Milroy.

In the first morning game Carthage defeated Morristown 28 to 12, after leading all of the way, and at half time the count stood 17 to 9. Edinburg and Letts staged a real thriller in the second game when Edinburg nosed out the Decatur county team, 22 to 20. Letts got an early start and at one time it was 9 to 2 in their favor. It looked for a time as if the contest would go overtime, but the winners put across a field goal that won out.

In the third morning game Milroy captured the contest from Fairview, 32 to 18, in a hard fought game by both sides, but in which Milroy had the best of it soon after the game began.

The last morning game saw Waldron romp away from St. Paul, 35 to 19.

The first game this afternoon lies between Carthage and Edinburg, and the second game between Milroy and Waldron. Little doubt is expressed but what Milroy will reach the final game because they trounced Waldron last week by a good score.

Edinburg has a good team and may cause Carthage considerable worry in the game this afternoon, but the Rush county team is full of fight and will not give up until the final shot.

The games were delayed in getting started this morning, and the first game did not get under way until 9:30, but they caught up, and were through shortly after 12.

## DIES AT RICHMOND TODAY

Funeral For Joseph Kaster, Former Local Man, Here Monday

Word has been received here of the death of Joseph Kaster, aged 45 years, which occurred this morning at his home in Richmond. The cause of his death is not known here. He is survived by the widow and the following children: Harley and Floyd of this city, Mrs. Thelma Laum of Richmond; Mrs. Hannah Clevenger of this city, Ruby Dorothy and Eva of Richmond. The deceased formerly lived in this city.

The funeral services will be held in this city Monday afternoon at 2 o'clock and burial will take place in the East Hill cemetery. The body will arrive here Monday morning at 7:10 o'clock over the Pennsylvania railroad.

### COUNCIL MEETING

Rushville Council No. 41 R. & S. M. will have a called meeting Monday evening to confer the degrees. Work will begin at 7:30.

### WHITTLES WAY OUT OF JAIL

Seymour, Ind., Jan. 28.—Dewey Mills, whittled his way through three locked doors of the Jackson county jail and escaped early today. Mills was charged with stealing chickens.

### MILFORD MAN SUICIDE

Milford, Ind., Jan. 28.—George Coe, 75 years of age, was sick and tired of living so he put a shotgun between his feet at his home here today and pulled the trigger. His head was blown off.

### Crowd's Good to Him.

The basketball crowd at the Graham Annex gym Friday night was good to Envoy Ellis of the Salvation Army, especially after he demonstrated his ability as an acrobat. Before the curtain raiser started, the Salvation Army leader opened up the bag of tricks that he used to perform with a circus before he joined the Salvation Army. The fans then gave a silver shower in his honor and after the deluge, he counted \$27.15.

Envoy Ellis today expressed his deep appreciation for the gift and said that was most welcomingly received because of the great need for winter relief work in Rushville.

The envoy also thanks the local post of the American Legion for its gift of \$25 from the proceeds of "Oh, Oh, Cindy!"

## Tourney Sidelites

This column was written specially for the Republican by Mr. R. H. S.

John Geraghty's team from Webb was defeated this morning by Manilla. Tough luck, John.

Mr. Cook, the Manual Training teacher, found a button on the floor of the gym this morning. The inscription on the button read, "Connersville beat Rushville." Cook is now wearing this relic on the underside of his coat lapel and will show it to anyone on request.

Russell Gray is the official scorekeeper for the Tourney. Russ has kept score for Rushville every game this season, and from the looks of our scores lately, he hasn't done a bad job.

Carthage, Edinburg, Milroy and Waldron are still in the swim at Milroy today. Our views on the Milroy tournament were expressed by the Indianapolis News. They said that they didn't know who was going to win but it might be observed that Milroy was giving the tournament.

Coach Sutton had a foul called on him this morning for not keeping still during the Glenwood game. Shame on you Sutton!

Evans, the referee, with his Em-Roe sweater, discovered that he had an unknown assistant in the audience. Some one kept blowing a whistle all morning. Evans asked him to come on down on the floor—that he could make more money down there, but the whistler refused.

A silver loving cup will be awarded the winner, alias Rushville. We don't see why they want to give cups away since the Volstead act is still being enforced.

Between halves of the Arlington-Raleigh game, Prof. Taylor came out on the floor and announced that the teams would be fed at the Christian church at noon. After the announcement we noticed that both teams livened up on their playing.

We noticed quite a number of Rushville business and professional men at the gym this morning and this afternoon. Their motto must be "Basketball before business."

### DIES AT BLUFFTON

Word was received here late Friday afternoon of the death of Raymond Stevens, son of Mr. and Mrs. Len Stevens, formerly of this county, who died at the home of his parents in Bluffton. The deceased was 12 years old, and no particulars of his death were learned. The remains will be shipped here Monday for burial, and services will be held at the Main Street Christian church, the exact hour not being known. Interment will take place in East Hill cemetery.

### WHOLE FAMILY IS ILL

Carl Webb and family of Morristown are ill with influenza at the family home in Morristown. Mr. Webb is seriously ill suffering with pneumonia. The Webb family formerly lived here.

## DATA SOUGHT ON SANITARY SEWAGE

Questionnaire Received by City Clerk to Determine What Percent is Emptied in Water Courses

### SENT UNDER ACTS OF 1919

Purpose of State Department of Conservation is to Assist Cities in Caring for Sewage Disposal

Earl E. Osborne, city clerk, has received from the engineering department of the state conservation a questionnaire, which is to be filled out and returned, showing the sanitary sewage of the city and its disposal. All Rushville sewage is dumped into Flatrock river.

The questionnaire, according to John C. Diggs, sanitary engineer, is sent under the Acts of 1919, authorizing this state department to so proceed in order it may be better able to render more intelligent advice in response to inquiries referred to it from time to time for solution.

Richard Lieber, director of the conservation department, says the engineering division has launched this survey to determine and estimate the volume of sanitary sewage and individual wastes turned into the public water courses of the state. The object of the survey is to gather and assemble data to enable the department to assist towns and cities in disposing of such wastes and also to prevent, as far as possible stream pollution, a public nuisance in many parts of Indiana.

After receiving the data department engineers will compile a map showing the relative pollution of various streams of the state as indicated by the sanitary sewage contributed on each watershed.

The maps will show the streams of the state as a whole and will note their purity or pollution whichever the case may be.

This survey also reflects back on the water courses of Indiana, Mr. Lieber says, as they are used for municipal water supplies, water for individual uses and the use of such public waters for supporting aquatic life.

For two years the conservation department has engaged on the stream pollution question, but the progress desired was not forthcoming until about a year ago when the legislature created within the department a division of engineering. In the past twelve months hundreds of cases of this character have come before the engineering division, and in many instances, especially in northern Indiana, remarkably gratifying results have been obtained.

## LOCAL MAN'S BROTHER RUN DOWN BY MACHINE

Griffith D. Dean, Indianapolis Attorney, Suffers Severe Injuries When Hit by Car

### WELL KNOWN IN RUSHVILLE

Griffith D. Dean, an Indianapolis attorney and brother of Dr. D. H. Dean of this city, is recovering in the City Hospital in Indianapolis from the effects of injuries he sustained Thursday evening when he was run down by an automobile.

Dr. Dean, who was called to his bedside Friday, said today that he thought he was recovering because no word had been received regarding his condition, which was believed to be an indication that his condition was not alarming.

Mr. Dean was crossing College Avenue when he was struck from the rear by a machine and knocked down. The marks on his body, which were confined to his hips and his back, did not indicate that he had been run over by the automobile. He also suffered injuries to his face and was unconscious when removed to the hospital. The name of the driver of the machine was not learned.

Mr. Dean is well known in Rushville, having visited his brother frequently here.

## REBECCA STEWART IS DEAD

Expires at Her Home in Milroy Friday Night of Pneumonia

Mrs. Rebecca Stewart, aged 79 years, died Friday evening about 11 o'clock at her home in Milroy, from pneumonia. Mrs. Stewart had been in failing health for the past year but her condition was not regarded as serious until a few days ago when she contracted pneumonia.

The deceased had been a resident of Milroy all of her life. Her husband died several years ago. She was a member of the Milroy Christian church. The survivors are two sons, Charles of this city and Riley Stewart of Indianapolis.

## REMONSTRATORS TO BE HEARD THURSDAY

Hearing on Remonstrances Against Mull and Wissing Road Bond Issues Set For Manilla

### NOTICE OF STATE TAX BOARD

Hearing on the remonstrances against the bond issues for the John M. Wissing and Thomas K. Mull roads in Walker township will be held in the town hall in Manilla next Thursday morning, February 2, at 10:30 o'clock, by a representative of the state board of tax commissioners, according to a letter received at the auditor's office today from J. J. Brown chairman of the state board.

The bond issue for the Wissing road, which runs north out of Manilla, calls for \$18,240 for the construction of the highway. The proposed issue for the Mull road, which runs south out of Manilla, calls for \$24,780. Both roads are to be built of gravel, with the exception of a stretch of about 100 feet of the Mull road in Manilla.

The remonstrators set up in their remonstrances, which were filed Friday, January 20, that it would be illegal to build the two roads over their right-of-way specified because petitions for similar roads over the same right-of-way, which were first filed, had never been dismissed.

## JOHN SILER DIES IN RIPLEY TOWNSHIP

Death Occurs at Age of 76 Years on Farm Adjoining One on Which He Was Born

### LEAVES 2 DAUGHTERS, WIDOW

John Siler, age seventy-six years, a prominent farmer of Ripley township, died Friday at his home southeast of Carthage after an illness of three years.

Mr. Siler's wide acquaintance was not confined to Ripley township alone, but he was well known throughout the county. The farm on which he died adjoins the one on which he was born, his entire life having been spent in that immediate vicinity.

Mr. Siler is survived by the widow and two daughters by a former marriage, Mrs. Oren Souder of near Carthage and Mrs. M. F. Lovett of Carthage. He is also survived by three brothers, Jesse and William of Carthage and Henry of Anderson, and one sister, Mrs. Anna Draper of Alexandria, Ind.

The funeral services will be held at the East Street Christian church Monday morning at 10:30 o'clock, in charge of the Rev. N. Lee Foster of Indianapolis, formerly a pastor of the church. Interment will take place in the Glencoe cemetery, Knights-town.

### ILL WITH INFLUENZA

Dwight VanOsdol is ill with influenza at the home of his parents, Dr. and Mrs. D. D. VanOsdol, in West Third street.

### LICENSED TO WED

A marriage license was issued this morning to Miss Alice Carr, daughter of Mr. and Mrs. Joe Carr of this city, and Wilbur Clevenger, son of Mrs. Mary Clevenger, also of this city.

## RUSH COUNTY IS WELL REPRESENTED

Large Delegation of Republicans Attend Banquet of Indiana Editorial Association

### RUSHVILLE MAN IS CHOSEN

Will O. Feudner of Daily Republican is Elected Secretary—Compliments For Sen. Watson

Rush county was represented by the largest delegation of Republican men and women ever attending the annual banquet of the Indiana Republican Editorial association, which was held in Indianapolis Friday evening, and marked the close of the most successful mid-winter meeting ever held by the association. The sessions opened on Thursday morning.

Will O. Feudner, general manager of the Daily Republican, was elected secretary at the closing session of the association's meeting Friday afternoon late and Jesse W. Pierce, publisher of the Clinton Clintonian, was elected president, having served for two years as secretary. George Lindsay, publisher of the Marion Chronicle, who served for two years as treasurer was elected vice-president, and George Elliott, publisher of the Newcastle Courier was elected treasurer.

The Rush county delegation went to the banquet with their appetites whetted for a speech from Senator James E. Watson of this city, but, as he explained in a letter read at the banquet, he was unable to leave his duties in the senate, due to the fact that he and Senator McCumber have been selected to pilot the funding bill, a very important measure, through the senate.

Many compliments were paid Senator Watson by his colleague, Senator Harry S. New, and by Vice-President Coolidge, the principal at the banquet.

While outlining the accomplishments of the administration, the Vice President paused to speak of the Hoosier senators.

"In obtaining these results," he declared, "your Indiana senators have taken a conspicuous part. This state has always been represented in the senate by men of talent and character. It is so represented now. Senator Watson is known as a most resourceful floor leader of great brilliance in debate. His unusual ability, long experience and wide knowledge have made him one of the most skilled legislators. Senator New is held in great affection by all his associates. His judgment is sought and followed. His words are few but carry great weight. He is always ready to give full credit to the opinions of others and co-operate with his party in securing harmony of action. He is constant in seeking to serve his constituents, a senator wise and just, dispatching business, creating confidence."

When Senator New was introduced, the crowd stood and cheered.

## REPORT FAVORABLY REP. HICKEY'S BILL

Indiana Representative's Bill Establishes Two Federal Judicial Districts in State

### ORIGINATED IN NORTH

Washington, Jan. 28.—The house judiciary committee favorably reported a bill by Representative Hickey of Indiana establishing two federal judicial districts in Indiana.

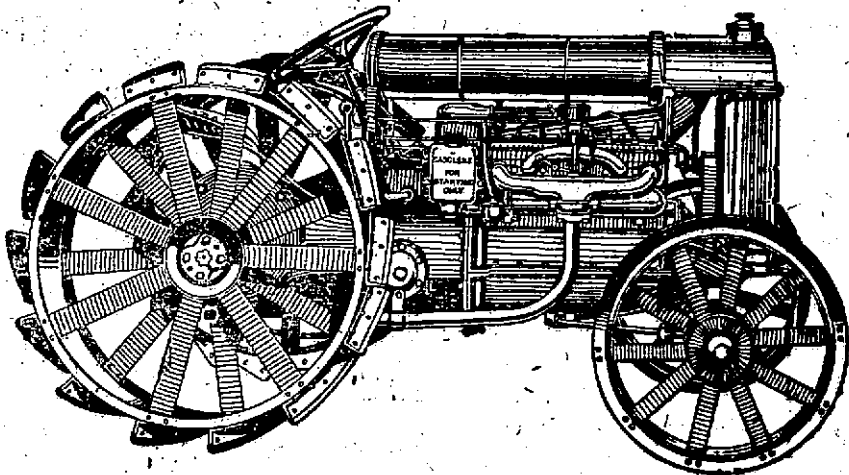

Indianapolis, Jan. 28.—Movements for federal judicial district courts in Indiana originated in the northern part of the state and is the outgrowth of plans of long ago which were smothered in congress.

Frederick VanNuy's retiring district attorney says the movement was fostered by powerful politicians in the Calumet who wanted to get out from under the strong hand of Judge A. B. Anderson. He said the existing court here could handle twice as much work as they do now.

**\$395.00**

F. O. B. Detroit

This is the most sensational cut in price in the history of the Ford Motor Company. The most difficult part for us now will be in making delivery. To prospective buyers, we wish to ask you to help us by placing your order early so that we will be able to make delivery.

This is certainly a master stroke of Henry Ford in placing the greatest plowing machine in the world in the hands of American Agriculture at a price no greater than that of one team of horses.

apolis \$21, No. 1 prairie Kansas City  
\$11.50, Minneapolis \$15.50.

Feed—Mill feeds weak, demand  
light. Only interest manifested is for  
immediate delivery. Future offerings  
plentiful at substantial discounts.  
Linseed and cottonseed meal un-  
changed. Slightly better export de-  
mand for cottonseed meal. Hominy  
demand light, buyers slow to take  
hold. Recent reductions in gluten  
feed amounting to \$6 per ton have  
not stimulated sales to any extent.  
Alfalfa meal amounting to \$6 per  
ton have not stimulated sales to any  
extent. Alfalfa meal and beet pulp  
steady but in light request. Stocks  
and movement fair. Wheat feeds \$1  
lower on freer offerings. Quoted  
January 27: Bran \$18.75, Middlings  
\$18.25, Minneapolis \$36c, cotton-  
seed meal \$34 Memphis, Gluten feed  
\$30.65; White hominy feed 21 Chi-  
cago; 34% linseed meal \$42.75  
Minneapolis; No. 1 alfalfa meal  
\$16.50, Kansas City.

Livestock and Meats—Chicago  
hog prices advanced 50-65c per 100  
lbs during the week. Beef steers  
were steady; heifers 15-25c lower;

cows 15-25c higher. Feeder steers  
weak to a shade lower; veal calves  
25-75c higher. Fat lambs up 25-60c;  
yearlings 25-90c. Feeding lambs and  
fat ewes generally 25c higher. Janu-  
ary 27 Chicago prices: Hogs, top  
\$9.10; bulk of sales \$8.50-8.85;  
medium and good beef steers \$6.65-  
9; butcher cows and heifers \$3.65-  
7.50; feeder steers \$5.15-6.75; light  
and medium weight veal calves  
\$7.75-11. Fat lambs \$12-13.85;  
feeding lambs \$10.50-12.75; year-  
lings \$9.75; fat ewes \$5.25-8.

Stocker and feeder shipments  
from 12 important markets during  
the week ending January 20 were:  
cattle and calves 2,982; Hogs 4-  
334; sheep 30,619.

Eastern wholesale fresh meat prices  
were not materially changed.  
Beef and fresh pork loins ranged  
from 50c higher to \$1 lower. Lamb  
weak to \$1 lower; veal and mutton  
unchanged. January 27 prices: good  
grade meats: beef \$12-14; veal  
\$17-20; lamb \$23-26; mutton \$12-  
16; light pork loins \$15-18; heavy  
loins \$11.50-14.50.

Dairy Products—Butter markets  
have recovered considerably from  
radical declines early in the month.  
The tendency the past week has been  
upward although at the close today  
the markets were not more than  
steady. There is little surplus on the  
market but buying is being done on  
a conservative scale. Closing prices  
92 score: New York 38c; Chicago  
36 1/2c; Philadelphia 33 1/2c; Boston  
37c.

Cheese markets barely steady, es-  
pecially in Wisconsin. Prices on  
fresh generally are being fairly well  
maintained on the wholesale distri-  
bute markets although the great-  
est demand is for held goods. Prices  
at Wisconsin primary markets Janu-  
ary 26: Twins 19 1/2c; Daisies 20c;  
Double Daisies 19 1/2c; Young Ameri-  
cas 20c; Longhorns 19 1/2c; Square  
prints 23 1/2c.

Cotton—Spot cotton prices de-  
clined about 112 points closing  
around 15.99c per pound New York  
March future down 132 points clos-  
ing at 16.45c.

## SPENT HALF HER TIME IN BED

**Farmer's Wife Tells How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman**

Carter's Creek, Tenn.—"Three years ago I was almost an invalid. I spent half of my time in bed, being afflicted with a trouble which women of a certain age are apt to have. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash. I am a well woman now and have been for two years. I can work as well as any one who is younger and as I am a farmer's wife I have plenty to do for I cultivate my own garden, raise many chickens and do my own housework. You may publish this letter as I am ready to do anything to help other women as I have been so well and happy since my troubles are past."—Mrs. E. T. GALLOWAY, Carter's Creek, Tenn.

Most women find plenty to do. If they are upset with some female ailment and troubled with such symptoms as Mrs. Galloway had, the smallest duty seems a mountain.

If you find it hard to keep up, if you are nervous and irritable, without ambition and out of sorts generally, give the Vegetable Compound a fair trial. We believe it will help you greatly, for it has helped others.

## AMERICA PASSES INTO NATIONAL PROSPERITY

**Vice Chairman of U. S. Railroad Labor Board Speaks at Boston Chamber of Commerce Luncheon**

**STILL MUCH TO BE DONE**

(By United Press)

Boston, Mass., Jan. 28.—America having topped the grade of readjustment, is passing into the widening valley of national prosperity Ben W. Hooper, vice chairman of the United States Rail Labor Board, declared here today at a luncheon of the Boston Chamber of Commerce.

There are still big steps to be taken before normalcy is restored and deflation completed, Hooper said. Living costs must be reduced and profiteering done away with. "But the hard pull is over." Reduction in rail rates, he said, is essential.

"Somehow," Hooper said, "I believe that this country has topped the uphill grade of readjustment. We will not begin to pick up speed rapidly for a while yet for the process of deflation is not entirely complete. The cost of living must undergo still greater reduction. There is yet too much profiteering in the necessities of life.

"The farmer is the only man in this country who has really deflated."

### Two Facts

Two facts before the American people are worthy of consideration at this time.

First, this is the year for holding congressional elections—for returning some of our solons to Washington and leaving others at home to repent of their shortcomings.

Second, congress has suddenly come to life on the subject of a soldier bonus law.

Nearly five years after the close of the war, when all other nations have enacted readjusted compensation legislation in favor of their ex-service men, we are still at sea haggling and scrapping over ways and means, with thousands and thousands of veterans destitute and out of employment.

If congress ever intends to do justice to these men it should be done now, when they are still alive and most need it.

It would be only an insult to their memory to pay it to their descendants after they are dead and gone.

It would seem that congress has one eye on the approaching elections and the other on the American Legion vote, but even that is better than the utter callousness that has existed heretofore.

### Get The People Out

There are few things that stimulate a greater interest in town improvement than to have large numbers of citizens attending every meeting of the city council.

It gingers up the members of the board, for when they know the eyes of their constituents are upon them at every meeting they will put forth greater efforts to make good in their undertakings. It becomes a matter of pride with them to measure up to public expectations.

It keeps the people posted as to what is being considered for the city, and this knowledge increases the common interest.

It brings out new ideas for the board to consider, for whenever a people are deeply interested in a subject they will consider and discuss it from every angle, thereby disclosing its weak points and emphasizing its good ones.

It is an interest stimulator and a progress breeder any way you take it.

Get the people out to the council meetings and let 'em talk.

It is quite true that hard roads will be the making of this country, but we will first have to make the roads.

The man without vices is to be pitied. He has no brains.

## The Tacna And Arica Question

(By ROBERT E. MANSFIELD)

The gracious, diplomatic note recently forwarded by President Harding to the governments of Chile, Peru and Bolivia, suggesting that they send special envoys to Washington, for the purpose of discussing, and if possible, arrange a permanent settlement of the Tacna-Arica question, has renewed interest in an international situation that has long been a disturbing political factor in South America.

As the annexation by Germany of the provinces of Alsace and Lorraine, after the Franco-Prussian war, kept alive international hatreds that resulted in the world cataclysm in 1914, the war 1879, between Chile, Peru and Bolivia, and the taking over by Chile of the province of Antofagasta from Bolivia, and of Tarapaca, Tacna and Arica from Peru, left unsettled questions that have since disturbed the equilibrium of the South American continent.

The immediate cause of the war which placed Chile in possession of the richest nitrate fields in the world was the cession of the Bolivian government to an Anglo-Peruvian company, of the right to work the nitrate deposits north of twenty-four degrees south, to construct a wharf at Antofagasta, and build a railway to some mines in the interior. Later this firm disposed of some of its concessions to the Chilean Nitrate and Railway Company. When the Bolivian government discovered that Chilean capital and industry were developing the desert into a source of wealth, it laid an export bounty of ten cents per hundred weight upon manufactured nitrate of soda. The company refused to pay export duties upon the products of its properties, and appealed to Chile for protection. Bolivia threatened to seize all nitrate in the hands of exporters, and Chile sent a fleet to blockade the ports of Antofagasta, Cobija and Tocopilla, and later sent troops into the interior to protect the property interests of its citizens. President Daza of Bolivia expelled some Chileans and confiscated their properties. Then the trumpets of war sounded and there was a change in the map of South America.

Peru tendered her services as mediator and sent special envoys to La Paz and Santiago. But Chile, having knowledge of a secret treaty celebrated between Bolivia and Peru in 1873, the purpose of which was declared to be the mutual guarantee of the independence, sovereignty and territorial integrity of the two republics, and mutual defense against aggression, the proposition was looked upon by Chile with distrust. Peru proposed that Chilean troops evacuate Antofagasta, and that the three republics should guarantee a neutral administration of affairs. Chile demanded the annulment of the secret treaty of '73, and that preparations for war on the part of Peru should cease. These propositions were rejected and Chile declared war against the allies on April 5, 1879. Hostilities began at once and were waged upon land and sea until Chile gained a decisive victory in the battles of Miraflores and Chorrillos, January 13, 1881, and four days later the victorious troops marched into Lima and occupied the Peruvian capital.

By the treaty of peace celebrated with Bolivia on December 11, 1882, Chile obtained all the former's seacoast, including the port of Cobija, privileges for constructing railways into the interior, and twenty per cent. of Bolivian port customs. In the treaty between Chile and Peru, signed at Ancón, October 20, 1883, the latter ceded to Chile the province of Tarapaca forever and unconditionally. In lieu of \$10,000,000 cash indemnity, the provinces of Tacna and Arica passed into the possession of Chile for a period of ten years, at the end of which time the ownership was to be determined

by a vote of the legal residents of the territory. Whatever the result of the election, the country to which the provinces should be annexed, engaged to pay the other \$10,000,000 in cash. The time limit for this provision of the treaty expired in 1894, and Peru not being prepared to comply with its requirements, Chile continued in possession of the territory, and the question of Tacna and Arica remained a disputed one.

A few years later, Peru becoming more prosperous, through the development of her rich mineral resources began to press for a settlement. In 1905 she presented her side of the question in the form of a protest against certain proposed industrial developments in the disputed territory. The reply left little doubt in the minds of those familiar with the subject that it was Chile's intention to retain possession.

In 1905 diplomatic relations between the two republics were resumed. In 1909 Chile proposed the taking of the plebiscite under conditions that were unacceptable to Peru, and diplomatic relations were again broken off.

In 1912 another effort was made to reach an agreement upon terms acceptable to both countries for the celebration of the plebiscite provided for in the treaty of Ancón, and the following general agreement was reached.

That all inhabitants, whether Chilean or Peruvian, shall have the right to vote, provided that they enjoy electoral rights under the constitutions of their respective governments. The time for holding the election was postponed for a period of twenty-one years, during which interval it was believed that the feeling engendered by the war would, in a measure, disappear, and lessen the chances of a conflict in the final settlement of the difficult question. The board, which will have charge of the election, will be composed of four members, two from each of the republics, and will be presided over by the President of the Supreme Court of Chile.

In recent years Chile has not been disposed to treat with Peru in a conciliatory manner, or submit to arbitration a question in which she has the right of possession. The most important feature of the arrangement for holding the plebiscite, however, in a contemplated treaty of commerce and navigation, by which both countries to the controversy hope to create such an influence for peace that the question which for many years has proven an insuperable difficulty to the best efforts of diplomats and statesmen, will play a secondary part in the relations between the two republics.

If the suggestion of President Harding is accepted, and acted upon favorably, it will result in another distinct achievement in the commendable endeavor the President is making to bring about a better international understanding, and an era of world peace.

# RUSHVILLE WHIPS CONNERSVILLE IN OVERTIME GAME

## PHILLIPS TIES SCORE WITH FOUL GOAL AFTER THE WHISTLE BLOWS

In Extra Five Minutes Rushville Tossers Open Their Bag of Tricks And Put Over Big Victory

### THE PLAY WAS SPECTACULAR

Headlee Cages One and Frazee Dribbles Full Length of Floor For Second Basket of Overtime

### STEWART THROWS THE THIRD

Many Fans Leave Game in Belief Connorsville Had Won, But Phillips Saves It From Foul Line

Rushville high school basketball tossers, both the first and second team, scored great victories here Friday night when the two teams from Connorsville were nosed out in each contest, it being necessary for the big game to go an extra-five minutes in order to break a 37 tie, which resulted in the final count being 44 to 39.

The second team won but in the last few seconds of play when Lakin shot the winning goal from the center of the floor, making the score 17 to 16.

More than 1500 fans were crowded into the high school gymnasium at 6:15, just fifteen minutes after the three doors had been thrown open, and the lines began to form as early as 3:30 in the afternoon.

More than 300 fans from Connorsville came over on the branch line of the I. & C., confident and in fact so confident that they believed their team would double the score on Rushville.

Connorsville played a wonderful game during the 40 minutes, but Rushville played a more wonderful game, and especially in the last five minutes when the contest was won. No player stood out for Rushville, as it would be unfair to the team even to attempt to pick a star—they all loomed out, and Headlee with his 8 field goals made Mark Williams, the highly touted all state forward on the Connorsville team, look sick with his half dozen markers.

Phillips at floor guard, couldn't register a point from the field—he didn't have to as long as he could shove them in from the foul line, and he set a new record for this part of the state when he made good 14 out of 16 attempts. His marker tied up the score that caused the game to go overtime.

Stewart played in his old form last night, and drew the first blood of the evening when he dropped a shot from under the basket, and he continued to fight, caging four goals during the game, and Pugh and Casady each fought hard on the floor, working the ball around many times to the other players who shot.

Frazee at back guard played by far his best game of the season, and besides defending his goal, he displayed real accuracy in hitting the basket, counting for three field goals.

As stated above Stewart counted first in the game soon after it started, but Ridge made a point on a foul, and soon afterwards G. Williams put Connorsville in the lead when he made a goal from the field. Rushville tied up the score 3 to 3 when Phillips threw his first foul, but then Connorsville started in like lightning and displayed some wonderful passing and floor work, and it was some time before Rushville could attempt to solve their play.

They kept the lead and Rushville began to trail, although they managed to drop the ball through occasionally, and due to the accuracy of Phillips on fouls, they kept winning in halting distance.

The score mounted 7 to 3, 7 to 5, 9 to 5, 11 to 5, 11 to 6, 12 to 6, 12 to 7, 12 to 8, 14 to 8, 14 to 10, 14 to 12, 14 to 13, 16 to 13, 17 to 13, 17 to 15, 19 to 15, 21 to 15, 21 to 17, 23 to 17 and the half way mark ended with Rushville still trailing, 23 to 39.

Connorsville made their boast in between halves that they had the greatest comeback team in the world, and that they would double the count in the last half, and they started out like they meant to, soon having 9 points the best, 29 to 20.

Then Rushville began to show that they also had some "comeback," and started in to climb, but came within two points of evening up, at 31 to 29. Connorsville boosted their

### From The Press Box

People who stood on the outside from 3:30 until six were surely rewarded by the game. Connorsville was well represented and most everybody succeeded in getting inside.

There surely couldn't be any kick coming from Connorsville on the referee. They brought him along and Morrison was fair to both sides. Connorsville officials objected to three referees submitted by Rushville and Coach Sutton said for them to name an official.

A Connorsville newspaper was overconfident. They opined in advance just what kind of an alibi Rushville would offer for their defeat. The visitors fully expected to win by 20 points.

Phillips established a new record when he tossed in 14 fouls out of 16 attempts.

Mark Williams and his brother George surely are a fast pair and it took Rushville some time to figure them out.

Rushville played a clean game, making only seven fouls during the game, and the rooters made another one. Connorsville made 16 fouls, and two of their players were put out of the game for making fouls.

### Seconds Set Pace

The Rushville second team played a great game when they took the second team from Connorsville, 17 to 16, Friday night, in a preliminary to the big game. Rushville was leading early in the game and counted 8 points before Connorsville could score.

The first half ended a tie at eleven points, and in the last half it was bitterly fought and just before the whistle blew, Lakin dropped the winning goal in from the center, after Connorsville was leading, 16 to 15, making the final count 17 to 16.

The lineup and summary: Rushville (17) Connorsville (16)

count to 36, and Rushville had 30, with only a few minutes left to play, but by some good goal shooting and fast passing the score soon stood 36 to 34 in Connorsville's favor and they soon made it 37 points on a foul. Then Rushville shot another basket, and just as the gun went off G. Williams for Connorsville fouled, but most people thought that the game had ended and it took ten minutes to get the crowd quiet, so that Phillips could have a chance to even up the score, and he threw the goal that paved the way to victory, and tied up the score at 37 points.

After a few minutes rest, the two teams went at it again, but it was a different time for Rushville as they completely outclassed the visitors in the five minute overtime. Headlee caged the first goal from near the center and then Frazee dribbled the length of the floor at full speed, and

Stewart counted the ball hard and netted another goal, but Siler for Connorsville registered one that put the score 43 to 39, and just as the final shot went off the referee called another foul on Connorsville and while the crowd was rolling out Phillips took his time and threw his 14th foul, making the final count 44 to 39.

No team ever showed more fight than Rushville in the overtime period, and most of the passing was by Rushville, who played a level headed game, and did not go "up in the air."

pupils respect the visitors even in case of defeat, and show good sportsmanship even in case of a loss. He pointed out that Connorsville rooters as well as some of the faculty, lost their heads in and after the game played in that city last December, when Rushville lost by five points.

It was the eleventh straight win for Rushville and a big effort will be made to end the season without a loss.

### ORANGE WINS AT FAIRVIEW

High School Team Slips One Oyer Friday Night, 19 to 16

In furiously contested game at Fairview Friday night, Orange high school's basketball team swamped Fairview, 19 to 16. The fast and steady work of Norris and Snoddy made it possible for the Orange quintet to score at will. It was only through a few lucky shots by Parker of the Fairview five that they were able to come near tying the score in the last few minutes of play.

The first half ended 12 to 5 in favor of Orange. In the last half Cook, Parker and Darnell took their old places in the line-up, but to no avail. Orange was destined to win, it seemed. The Fairview coach charged unsportsmanlike methods were used and that Pike, the referee, was unfair to the Fairview five in his decisions. It was also asserted that many personal fouls were committed—enough, in fact, to disqualify several of the players.

Chicago.—Edward Seavell, janitor was called before the health department was not heated. "The last three times I started to fire up the furnace a burglar alarm rang and I was arrested," he explained.

St. Paul.—Annabel Lutterman entered her picture and name in a carnival queen contest. Police recognized her. She has a date to answer a theft charge.

By MR. A. H. S.

Oh, man, Oh, man, what a game! And what tickled us most was that Connorsville really thought that they were going to win.

Rushville has now won eleven straight games. We haven't commented much on most of these games because they have been with teams weaker than ours. Its been like taking candy away from a baby. And its poor sportsmanship to gloat over a victory gained from a weaker brother. But Connorsville is different. So we ask our readers with kinder hearts than our own to overlook our sarcasm.

Connorsville News - Examiner please notice: In your edition of Jan. 26, you said you would like to read a report of our alibis after the game Friday. We, too, like to read alibis, so we will consider it a great favor if you will forward us a copy of today's edition of your paper.

We wonder if Connorsville fans will root for Rushville at the State Tournament. They ought to, we rooted for Milroy last year.

Connorsville must have a warm spot in her heart for Herman Phillips. Two years ago, when they played Rushville, the score was tied at the end of the game. But it happened that one of the players on the Civilie squad fouled just before the whistle blew. So it was up to Rushville to throw the foul. If they made it Rushville won, if they missed it, the two teams would play five minutes more. They MADE IT. Last night he made a foul goal just before the close of the game that tied the score, and in our opinion won the game for Rushville.

The peppiest pep meeting that was ever held, was pulled off up at school Friday. Monday morning we expect to hold a "get-together-and-talk-it-over" meeting. Those persons who still maintain that Rushville has a poor team are urged to be present. They will be awarded tin medals for being the nerviest people of our acquaintance.

Today's laconic message: Rushville beat Connorsville.

We can sympathize with every one who didn't come to the gym last night in time to get a seat, because WE KNOW HOW IT FEELS!

### ORANGE IND. WIN

The Orange independent basketball team won at Brookville Friday night, 26 to 16. The game was fast and furious all the way and the Brookville bunch threatened to take the lead several times.

## THREE POISON STILL IN HANDS OF POLICE

First Used Exclusively For Manufacture of Poison Liquor N. Y. Authorities Have Discovered

### STILLS DISCOVERED SELVES

(By United Press)  
New York, Jan. 28.—Three poison stills where denatured alcohol in barrels labelled with the red skull and cross bones was to be redistilled and sold as whiskey, were in the hands of the police today. They are the first used exclusively for the manufacture of poison liquor which New York authorities have discovered.

The stills discovered themselves. Ignition of alcohol fumes by a gas jet set fire to a four story house in Cherry street.

Five barrels of denatured alcohol were found besides the stills. They were marked with glaring labels: "Denatured alcohol; used internally will cause blindness and death; used externally will cause burns and blindness."

Prune juice for coloring the poison hootch in order that it might be sold as whiskey was found.

## DECIDE TO STAY ON STRIKE

Tabulate Vote of Union Employees of Packing Plants

Chicago, Jan. 28.—Union employees of packing plants have decided to stay on strike, Dennis Lane, secretary of the Amalgamated Meat Cutters and Butchers Workers Union stated today.

Tabulation of vote on whether or not to continue the strike which started December 5, over refusal of packers to recognize unions showed the men favored continuing the fight he said.

Cities where employees voted to continue the strike include East St. Louis, Chicago and Kansas City.

### Arlington 24; Raleigh 17

The best morning game took place in the third tilt between Arlington and Raleigh as both teams fought hard from beginning to end but Arlington had the best of it 24 to 17.

The first half ended 12 to 11 in favor of Arlington and the two

teams put up a big fight in the first of the last half.

Raleigh played an exceptional game, making only two errors, each of them being technical fouls.

The line up and summary:

### Rushville 39; Glenwood 14

In the last morning game Rushville took the game from Glenwood, 39 to 14, and the locals used all eight players during the contest, but were in the lead all of the time and did not have to exert themselves in order to win out.

The score at half time was 16 to 7. Stewart at forward caged eight field goals during the time that he was in the game, and the other players came in for their share of the points and in passing.

Vandiver for Glenwood played a good game, and Dailey, the lucky center, also was on the job, each caging three goals apiece. Glenwood displayed spurts of team work that were exceptionally good.

The line-up and summary.

Rushville 39 Glenwood 14

### OFFERS \$200,000 FOR MATCH

New York, Jan. 28.—An offer of \$200,000 for a match between Jack Dempsey and Harry Willis has been spurned into the discard with other small purses by Jack Kearns, manager of heavy weight champion. William A. Brady came forward with the offer—Dempsey to get seventy five per cent for a match next summer. Kearns, however says it is a risky business proposition. Not that Dempsey is afraid of Willis but just because such a match would not be a financial success.

The Coterie will be entertained by Mrs. Helen Pierson Monday afternoon at two o'clock at her home in West Third street.

Mr. and Mrs. Will Knecht, Jr., were among the out-of-town guests who attended the I-No-You club dance given in Connersville Friday evening.

The Ladies Aid society of St. Paul's M. E. church will be entertained Tuesday afternoon at the home of Mrs. Robert L. Tompkins in East Seventh street. Mrs. C. H. Tompkins and Mrs. Frank Innis will be the assisting hostesses.

Mr. and Mrs. B. F. Miller entertained the members of the Loyal Women's class of the Main Street Christian church Friday evening at their home in North Morgan street. The ladies enjoyed the evening socially. Mr. Miller is teacher of the class.

Miss Elsie Bohannon was hostess to the members of the Tarry-All-While club Friday afternoon at her home in North Morgan street. The guests enjoyed the evening with an informal social party. Dainty refreshments were served during the evening.

Mr. and Mrs. William Kiser entertained Thursday night at their home near Sexton with an oyster supper. The guests were Mr. and Mrs. Ralph Conner, Mr. and Mrs. Arthur McCorkle, Marion McBride and Earl Bruner. The evening was enjoyed socially with music and dancing.

Miss Alice Carr, daughter of Mr. and Mrs. Joe Carr, and Wilbur Clevenger, son of Mrs. Mary Clevenger, all of this city, were married at the St. Paul's M. E. parsonage this morning at 11 o'clock by the Rev. Clyde S. Black. They were attended by Mrs. Carr, mother of the bride. The couple will reside in this city where the bridegroom is employed as a metal worker.

The Delphian Society held their regular meeting Friday afternoon in

the new Elks club rooms in East Second street. Mrs. Floyd Kirklin was leader of the program. Subject, "Palestine and Hebrews." The following papers were read: "The Coast Plain and Central Range," Mrs. Kirklin; "Jordan and the Dead Sea," Mrs. Horatio Havens; "Eastern Range and Esdras," Mrs. Loren Meek; "Influence of Land on the People," Mrs. Robert Mansfield; "Sources of Hebrew History," Mrs. Theodore Abernethy; "Early Hebrews," Mrs. John Tittsworth; "Area of the Judges," Mrs. Cullen Sexton.

A pitch-in supper was enjoyed at the home of Mr. and Mrs. Carey Miller of near Homer Friday evening. The evening was spent in games and music. Those present were Mr. and Mrs. Elmer Brannan, Mr. and Mrs. Raymond Miller and son Paul, Mr. and Mrs. Lon Louden and family, Mr. and Mrs. Lora Miller and family, Mr. and Mrs. Cy Willey and daughter Violet, Mr. and Mrs. Charles Miller and family, Mr. and Mrs. Floyd Branson and family, Mr. and Mrs. Glenn Miller and family, Mr. and Mrs. Mort Campbell, Mr. and Mrs. Harvey Reed and family, Mr. and Mrs. Julia Theobald and family and Mrs. Herring.

A clipping from the Evening Reporter, Orlando, Florida, gives the following account of a surprise dinner honoring the birthday of Mrs. Burl Matney of near New Salem, who is spending the winter in Florida:

The home of Mr. and Mrs. Frank C. George of Liberty street was the scene of a very pleasant party last evening when Mrs. George entertained with a surprise six o'clock dinner honoring the birthday of Mrs. Burl Matney of Rushville, Ind., who with Mr. Matney is spending several months in our city. Mr. and Mrs. Matney went for a drive and on the way home, stopped at the George home where on some pretext the family insisted upon Mrs. Matney's going into the house and she found the first course of the dinner steaming upon the table awaiting the party. The table was centered by a beautiful white-iced birthday cake adorned with tapers in rose colored holders placed in the form of a question mark, the hostess jokingly explaining that she thought it better to represent the honored guest's age that way rather than by figures. Several interesting toasts were proposed by Mr. Bundy and the lighting of the tapers, cutting and serving the cake by the honor guest also entertained the party during the service of the appetizing dinner. Following the dinner the evening was very enjoyably spent in playing 500.

Covers were laid for Mr. and Mrs. Matney, Mr. and Mrs. George E. Bundy of Norwood, Ohio and Mrs. Bella Trobaugh of Rushville, Ind.

## AMUSEMENTS

### Real Indians in Picture

There are many real Indians in Jack Holt's first Paramount star picture "The Call of the North," which is at the Princess again today, but most of them are Putes, gathered on location at Mammoth Mountain in Northern California. There are in the cast two real Redskins, however, of special interest—Chief Lighthouse and Big Tree.

The latter is a full blooded Seneca, descendant of a chief of the famous Iroquois Confederacy, the five nations, of pre-revolutionary fame. He posed for the famous statue of the Panama Pacific Exposition in San Francisco, "The End of The Trail."

Big Tree is a talented actor, with a commanding presence and stately demeanor. He has the lore of the old confederacy at his finger tips and he is greatly interested in motion pictures.

Joseph Henabery directed "The Call of the North" which was adapted by Jack Cunningham from the novel "Conjuror's House" by Stewart Edward White. Madge Bellamy is leading woman and heads a strong supporting cast.

Harold Lloyd is also at his best in a comedy which is a part of the good bill.

### "Rough and Ready," Mystic

One of the most attractive photoplays the Mystic Theatre has ever had is announced for when the William Fox production, "Rough and Ready," starring William Farnum takes the screen.

The supporting company surrounding the distinguished Fox star in this magnificent feature is of unusual brilliance.

William Farnum, of course, is the favorite of every one with any knowledge of "Who's Who on Stage and Screen." Mr. Farnum is without a peer in his field and has long been established as America's most popular dramatic actor. "Rough and Ready" fits him like the proverbial glove.

Bill Stratton, whom Mr. Farnum portrays, is a man whose heart is as big and as clear as the great, cold Northland into which he goes to forget a lost love. He comes to Yellow Gulch, a rough mining settlement perched among the snows, to rest from the weariness of the trail.

A trick of fate brings to the place the girl he loved and lost, and whom he never has forgot. Again Bill fights to win her—and he succeeds against odds and obstacles that would have daunted any man less sturdy than he.

The Chicago Chief of Police said something when he remarked "a well dressed man wears a white starched collar."—Advertisement.

## BUILDING A BUSINESS

For sixteen years we have been striving to give the people of Rushville a laundry service surpassed by none. This has meant constant improvement, oftentimes at great expense, but we felt and are now justified in our belief, that the best way to build business is to give our customers the best service obtainable regardless to the cost to us.

Today we have a laundry which will compare favorably with any in the country. Our Collar work is perfect.
